

Coaching for People & Performance

KEYNOTE

Join Shawn Buxton for a compelling session designed to elevate your coaching skills to new heights. This workshop focuses on empowering leaders to develop a coaching style that enhances both individual growth and overall team performance.

WHAT YOU'LL LEARN:

- Master the P.A.C.E. Framework for Coaching: Dive deep into the P.A.C.E. framework, a powerful tool designed to guide your coaching conversations for maximum impact.
- Adopt the 6 Habits of High-Performance Coaches: Uncover the six essential habits that distinguish high-performance coaches from the rest. Learn how these habits can transform your approach and ensure the ongoing development of your team members.
- Recognize the 3 Times to Coach: Identify the critical moments when coaching can have the most significant impact. Understand when to step in with coaching for developmental purposes, for corrective action, and for strategic alignment.

BENEFITS:

- Equip yourself with a proven coaching framework and actionable habits to enhance your coaching effectiveness.
- Shift your leadership approach from directive to empowering, fostering a culture of accountability, innovation, and resilience.
- Improve team performance and morale through effective and insightful coaching

WHO SHOULD ATTEND:

This session is perfect for leaders, managers, and anyone in a mentoring role looking to boost their coaching skills and contribute to a high-performance culture. Whether you're new to coaching or seeking to refine your techniques, this session will provide you with valuable insights and practical tools.

Join Shawn Buxton and transform your approach to leadership and coaching. Learn how effective coaching can unlock the potential of your team members, driving both personal growth and organizational success.

Reach out to Shawn Buxton to feature "Coaching for People & Performance" at your event, and start on the path to becoming an influential coach who inspires excellence and fosters high-performance cultures.
